

FEBS/EMBO

# Women *in* AWARD science

Acknowledging female scientists  
for outstanding achievements  
in the life sciences

**Awardees** receive € 10,000  
and are invited to present a plenary  
lecture at the annual FEBS congress.  
By nomination only.

**Nominees** should be excel-  
lent female scientists working in  
Europe who have made significant  
contributions to the life sciences  
in the last 5 years.
